CIS150

Test 2 Review

The Easy Stuff

❖ When and where is Test 2 scheduled?

- Check Course Schedule - during our class time

- Meet in Davidson Room 304 (computer lab)

❖ Let your professor know ASAP if you have an extenuating circumstance that conflicts

❖ You will need at least an hour to complete it

❖ Bring a pen / pencil and possibly a calculator, although you will probably not need these

The Easy Stuff

❖ Is there a Study Guide?

■ No - but be sure to read through this presentation

❖ Is there a Sample Test?

■ No - although a couple of the commonly-missed questions have been "recycled" from InClass 4

❖ How will the test be given?

■ Digitally, via Blackboard

■ Questions and answers are randomized

Coverage

❖ Reading and lecture material
- All textbook presentation slides since Test 1
  - *Intellectual Property Rights - Part 1*
  - *Intellectual Property Rights - Part 2*
  - *Regulating Internet Privacy - Consumer*
  - *Regulating Internet Privacy - Workplace*
- ***A Gift of Fire*** - Chapters 2, 4, 6
- ***Case Studies in I.T. Ethics*** - Chapters 3, 4, 5
- Will not include any Case Study material <u>unless</u> it was specifically discussed as part of a lecture

Study Tips

❖ Many of these are from students who have scored well in previous CIS150 sections

❖ Organize all of your study material, including the textbooks, presentation slides, lecture notes, readings, any other references

❖ If you choose to study in a group, only study with others who are serious about this test

❖ Don't study any later than the time that you usually check for light leaks in the eyelids

Study Tips

❖ Create a study plan with specific time blocks

❖ Find a quiet and comfortable place to study, with good lighting and few distractions

❖ Start out by studying the most important info

❖ Make sure that you understand the material, don't just try to memorize everything

❖ Don't wait until the night before to study, instead, spread the time over a few days

❖ Alternate between various types of material

What to Expect

❖ Test 2 will be a bit more challenging than Test 1

❖ Format will be quite similar to Test 1, with more emphasis on essay questions *(see PDF file)*

❖ Most of the questions are likely to be multiple choice, true or false, and multiple answer formats, with quite a few essay questions

- Read <u>all</u> instructions thoroughly before you begin
- Find an easy question, answer it, then Save
- Use *Edit > Find* in browser to search for terms
- Right click, then left click to type in any text
- Save work frequently - use the button at <u>bottom</u>
- Let me know immediately about any issues you may encounter, especially "Save in progress"

Test-Taking Tips

❖ Read the directions and answer each question carefully to avoid making a careless error

❖ Take note of underlined text and key words

❖ First, jot down key points for essay responses

❖ Answer the easy questions on the first pass to build confidence, accrue points, and orient

- You may want to focus on your strengths initially
- Come back to essays (or short answers) later on
- Avoid spending more than 30 seconds on each

Test-Taking Tips

❖ On the second pass, answer the essay or short answer format questions that seem familiar

- Focus on those that have higher points values

- Avoid spending more than 2-3 minutes on each

❖ Be sure to leave 10-15 minutes for final pass

- Eliminate those answers you know are either incorrect or don't appear to fit the question

- Take a best guess on any unanswered questions

- Be cautious guessing on multiple answer format

Test-Taking Tips

❖ Carefully examine all responses to ensure you did not overlook anything this is essential

❖ Make sure you have answered every question

❖ Only change your original answer to a given question if one of the following applies:

- You have clearly made a mistake

- You misread the question on the initial attempt

- You found a useful information elsewhere on test

❖ Resist the urge to leave as soon as you finish
